warranty and cover care instructions

warranty

b.m.h. pool and spa covers ltd warrants to repair or replace at b.m.h.'s discretion any cover that is defective as a result of faulty materials and/or poor workmanship. this warranty applies for a period of 36 months from the date of purchase.

smart approved watermark

bmh solar blankets have the smart approved watermark. this is an Australian government quality standard. to obtain this the material is rigorously tested to ensure it is "fit for purpose".

cover care

- * avoid excessive exposure to chemicals
- * remove cover during shock dosing, return when levels are normal again
- * only clean the cover using warm, soapy water
- * always lift and carry the cover when moving, never drag the cover
- * during periods of extremely high wind we recommend the removal of the cover from the pool
- * shade the cover when it is off the pool to prevent UV damage, use a shroud if on a reel
- * store the cover dry and clean
- * extend the life of the cover by using a bmh reel system
